

Program Growth Continues

I would like to thank all of our Alumni for your continued service and leadership. Your legacy remains, and the core strengths of graduates who can think both 'Creatively and Critically', continue to align with the University and our Army. We have grown to over 90 contracted Cadets with 27 preparing to go to Leadership Development Course at Fort Lewis this Summer. This is over a 50% increase from Summer 08, where our Cadets attained 5th in the Nation in Physical Fitness scores and were above Brigade and Cadet Command in every other leadership category. The continued growth and excellence in training is due to the outstanding work of our Recruiting Officer, MAJ Allen Back and the Non-commissioned Officers responsible for training, MSG Sirry, MSG Kleem, SFC Jones and MSG Gilbert. Our demographic continues to be a solid balance between National Guard, Reserve and Cadet Command Scholarships and we continue to attract outstanding young people ready to serve.

I would like to welcome **MSG Phillip Gilbert** to our department. He will be our Senior Military Instructor and OPS NCO in addition to our primary MS I level instructor. He is already taking charge and making a difference with all of our programs.
